Dear Sir,

This letter is in reference to our order of 100 nos. of BP display stands and 40 nos. of BP workshop units which you had produced for us in 2010

I would like to personally thank you and your company for ensuring that our display stands and workshop units arrived in Dubai on time as promised.

I wish you and your company success in securing future business with your other customers.

Once again, many thanks for the professional services which we received from you.

Hopefully we will be in a position to place another order for new display stands in the future.

Yours Sincerely,
